Consideration of first reading of Ordinance No. 2022 – 03 an ordinance of the Town of Rico, Colorado issuing a temporary moratorium on the acceptance of new short-term rental dwelling unit permit application.

The Town Manager recapped that the Board directed staff to have legal draft up an ordinance at the March 16, 2022 Board Meeting.

Board members asked for clarification from Karp Neu Hanlon on the duration this moratorium would last and how the board could end it early or extend it if necessary.

Public Comment:

Public is in favor of the Moratorium. If approved, it would allow for the board to slow down with the Short Term Rental ordinance and think it all through.

Motion

To approve Ordinance No. 2022 – 03.

Moved by Trustee Joe Dillsworth, seconded by Mayor Nicole Pieterse.

Vote. A roll call vote was taken, and the motion was not approved, 3-4.

Consideration of the first reading of Ordinance No. 2022-04 an ordinance of the Town of Rico, Colorado amending ordinance No. 2019-06 to increase the water tap fees for the town of Rico water enterprise fund.

Mayor Nicole Pieterse recused herself due to conflict of interest.

The Board discussed the volume rather than the diameter of the tap. Agreeing that volume should be considered rather than the diameter of the tap. Board members agreed that \$10,000 is not enough as more taps will result in more wear and tear on the system. They also expressed that taps larger than 1 inch should be exponentially more expensive as those builds will generate profit for the builders.

Public Comment:

Members of the public are in favor of the tap fee increase as they understand the issues that may arise as we live in a draught area.

Public also commented that for those currently looking at building this is a large increase that they did not budget for.

Motion

To charge \$12,500 for a residential ¾ inch water tap and \$22,500 for a 1 inch tap.

Moved by Trustee Joe Croke, seconded by Trustee Benn Vernadakis.

Vote. A roll call vote was taken, and the motion was approved, 6-0.

Consideration of an application for a setback, height, and roof pitch variance on 132 Commercial Street, Lots 23-27, Block 8, McKinley Hale and Jeremy Womack, applicants.

Trustee Benn Vernadakis recused himself due to conflict of interest.

Town Manager Chauncey McCarthy summarized the application to the Board.

Applicant Jeremy Womack discussed the reasons they are looking for these variance approvals. The Board discussed that this is a special circumstance as the topography of this lot is different than most town lots.

Motion

To approve this application for a variance pursuant to section 430 of the Land Use Code based on the findings that all of the review standards in section 436 have been satisfied and with the condition that the project include two off-street parking spaces at the third level.

Moved by Mayor Nicole Pieterse, seconded by Trustee Joe Dillsworth.

Vote. A roll call vote was taken and the motion was approved, 6-0.

Consideration of an expansion of a non-conforming use or building, 26 N Glasgow, Craig and Sarah Lyons, applicants.

Town Manager Chauncey McCarthy summarized the application to the Board.

Applicants requested that this be streamlined as much as possible so they can complete the project before the cold sets in again as they will be living in the house as it is worked on.

Board members were sympathetic with the applicants request and discussed approving the project at this meeting. Some concern was mentioned on the design and whether it will match the commercial district vision. Legal advised the Board that they must wait until a future meeting as it was not an agenda item.

Public Comment:

Public expressed that keeping people in town is important. To not make applicants jobs harder if they follow the rules.

Motion

To approve the expansion of a non-conforming use.

Moved by Trustee Joe Dillsworth, seconded by Trustee Linda Yellowman.

Staff Reports

Clerk's Report.

The clerk sought guidance on how to proceed with outstanding water bills. The board directed the clerk to send out shut-off notices to accounts overdue by 60 days and to instruct the facilities maintenance personnel to shut of the water on that date if the account holder does not pay the amount due.

Manager Report.

The Town manager sought clarification regarding the minutes concerning Marti and the current water court filing. The Board directed him as follows, if there were objections the Board would revisit whether to stay with Marti or change to new council.

CDOT came and looked at the school site for the new bus stop. They are having engineering move forward with a proposal.

Town Clean-up will be scheduled for June 4, 2022. Using a new trash company that will save the town money.

Chauncey McCarthy filled for a grant to fund the water filtration system. If the grant is not rewarded the Town Manager would like to reallocate funds to complete this project. The project cost is estimated at \$10,000 including labor, supplies, and installation.

The Historic Society have reported that they have funds budgeted for a structural engineer to review the repairs needed at the Van Winkle headframe. They don't have the bandwidth to apply for grants currently and have asked for support from ARCO to fund the required repairs.

All Board members have access to personal board emails if the board would like. If using these emails do not reply all as that would be an unnoticed Board meeting.

While in the beginning stages the Town Manager is optimistic about acquiring the Voodoo skate ramps. If the skate ramps become available the town can apply to receive the ramps from the Town of Telluride Parks and Recreation Department

Discussion Items

Short Term Rental draft Ordinance Review

Karp Neu Hanlon representative Joely Denkinger and Karl Hanlon were present to answer questions.

The Board discussed the advantages of a right by use direction. The board made notes from changes in the draft ordinance such as defining Short Term Rental in the ordinance. Only one STR per property should be allowed. The business license verbiage should dovetail with STR ordinance. Make noticing of fire bans mandatory for STR license holders.

Public Comment:

Asked for clarification on quadrants of the town. The public noted that the fees should be high enough to pay for itself. Public expressed concern with use by right.

Board directed legal to make changes and move forward for a first reading on May 18, 2022. As well as a reading on May 11, 2022 at the Planning Commission meeting.

Trust for Public Land and Montezuma Land Conservation effort.

Patrick Gardner, Travis Custer, and James Reimann talked about coming to Rico to hear the concerns regarding the Disposition Property listing. The sale of this property could have huge impact on the community. These organizations want the community to be part of the process of what should happen with these properties.

The next steps will be to sit down and look at maps, meetings with the Town and other parties involved and scheduling a work session. Long term would be to have an assessor appraise the real value is projected, which may be significantly lower than the listed price.

Town site Land Soils Voluntary Clean Up (VCUP) update.

This was not discussed in detail as the board has been meeting weekly for work sessions. The next work session is scheduled for April 25, 2022 at 6:00PM.

Smalls tract act conveyance (Atlantic Richfield Co.).

The Board debated on whether or not to send a letter as it is currently the public comment section. Ultimately the board decided not to comment as a letter was sent from the town in March 2021.

Quarterly Financial Review

The Town Manager summarized 2022 First Quarter. Explaining that he is working from someone else's budget with different views and goals for the Town.

Second Marshall

Using the direction of the Board staff will look in to hiring a second Marshall to assist Jerry Sam as his commitment in Cortez may not allow him to increase his hours through the summer. The budget accounts for two Marshalls.

Town Shop Improvements Update.

The site is disqualified from grants for remediation due to lack of Phase 1 environmental evaluation when the Town acquired the property. VCUP could still remediate the site if it remediates the town.

Funding for the shop is limited. There is \$100,000 from SMART to store their bus. Considerations should be made to potentially fund the new shop by selling the Bike Shop.

The Board directed staff to investigate the proper method in which the Town can sell this property. The Board would like to sell it for Fair market Value or higher if it will fund the new shop.

Impact fees and overall capital improvement program.

The board agreed that there was no need for a discussion at this point.

Adoption of Model Traffic Code and Speed Limit Reduction

Dolores County Sheriff Don Wilson expressed that if town pursues this it could end up raising the speed limit. If 70% of traffic in driving at 40mph through town the speed limit would be raised.

The Board directed staff to look into whether the speed sign on the South side of town records data.

Motion

To adjourn Board of trustee meeting and go into Executive session.

Moved by Mayor Nicole Pieterse, seconded by Trustee Benn Vernadakis.

Vote. A roll call vote was taken, and the motion was approved, 7-0.

Motion

Safe and Secure Investment Choices for Local Government Funds

Colorado Surplus Asset Fund Trust (CSAFE) provides two Local Government Investment Pool (LGIP) funds offering short-term and intermediate-term investments for local government cash and reserves. The CSAFE funds eliminate the need or complexity for governments to select and manage individual market investments. CSAFE funds do not offer a mechanism of guarantee or zero risk. However, this document shows the many layers of structure and oversight enabling a high level of safety and security.

Safety – Liquidity - Yield

Safety, a foundation of CSAFE funds, is a fundamental priority. Liquidity of CSAFE funds is also a high priority. The funds are structured to give investors immediate or next-day access to their funds. The portfolios have specific liquidity guidelines for the underlying investments and the liquid nature of each investment including daily and weekly targets. The CSAFE funds are managed to offer competitive yields within the marketplace at or exceeding appropriate benchmarks.

Governing Documents

CSAFE Trust was established by an Indenture of Trust in 1988. The Indenture establishes the Trust and sets guidelines for the overall governance and operation of the Trust and its funds. The indenture is acknowledged by each participating investor government entity when establishing an account. Changes to the Indenture of Trust are ratified by a vote of all participants. The Information Statement catalogs the many guidelines and operational standards of the underlying portfolios and the nature of investing and transaction with the funds.

Board of Trustees

CSAFE Trust is governed by a Board of Trustees comprised of finance professionals with investment responsibility from participant investor local governments. The Board meets quarterly and reviews financial reports, policies and has oversight over the various service providers. A primary focus of the board is the safety and security of the CSAFE funds.

Colorado Revised Statutes

CSAFE funds maintain continual compliance with Colorado Revised Statutes, including C.R.S. 24-75-601 regarding investment of public funds; and C.R.S. 24-75-701 regarding Local Government Pooling. The funds also comply with C.R.S. 11-10.5-101, Public Deposit Protection for deposits in any commercial banks.

Investment Policy

CSAFE Funds' Investment Policies dictate the allowed investments in the underlying fund portfolios including limits on maturity, exposure and quality. The highest priorities of the policies are safety and liquidity followed by yield.

Ratings Agencies

The CSAFE Cash fund is rated AAAm by S&P Global Ratings, the highest principal stability fund rating available from S&P. Strict requirements govern the composition, maturity and type of investments. The CSAFE Colorado CORE Fund is rated AAAs/S1 by Fitch Ratings. Fitch measures the overall credit risk as well as the fund's shadow Net Asset Value sensitivity to changes in market interest rates, credit spreads, and other market risk factors. Both S&P and Fitch apply robust analysis annually prior to assigning the ratings designations.

Portfolio Management

The underlying investment portfolios are professionally managed by a team of experienced investment professionals who have dedicated many career years directly in government investment portfolio investing and management. The team includes portfolio managers and robust credit analysis functions.

Colorado Division of Securities

The Colorado Division of Securities examines the CSAFE Funds on an annual basis. This analysis focuses on the safety and security of the funds. The Division is the regulator of LGIPs in Colorado.

Third Party Audit

CSAFE funds undergo an annual financial audit by a recognized CPA firm with abundant experience auditing Local Government Investment Pools.

Stress Tests

Principal Stability Fund Rating Sensitivity Matrix stress testing is administered monthly on the CSAFE funds. The tests indicate the degree of fund stability as the funds are applied with hypothetical increases and decreases in market interest rates, concurrent with potential fund redemptions elapsing a short period of time.

GASB Adherence

The CSAFE Cash fund adheres to Government Accounting Standards Board (GASB) Statement 79. The Colorado CORE fund adheres to GASB Statements 31. These statements dictate liquidity guidelines as well as market valuation and risk tolerance.

Planning Commission members questioned Greg Anderson the Engineer from Alpine Land Consulting regarding the plan. Including whether the owners intend to build the road if approved

or if they are just seeking the approval for sale of the property. Discussion was continued after public comment regarding the avalanche danger on these properties and the new proposed road. The Planning Commission asked legal what the obligation of the town is to provide access to historically platted lots. Legal asked that they look into it before responding. The Planning commission directed staff to obtain an overlay of the hazard onto the plan map by next planning commission meeting.

Skip asked if this road will set a precedence for the town. He expressed concern that this road is potentially in an existing avalanche zone which created more discussion from the Planning Commission members.

Other comments:

All engineered plans will be provided based on Conditional Approval.

1. The first part of the proof is to show that the function f is continuous at x_0 . To do this, we need to show that for any $\epsilon > 0$, there exists a $\delta > 0$ such that if $|x - x_0| < \delta$, then $|f(x) - f(x_0)| < \epsilon$.

Let $\epsilon > 0$ be given. Since f is bounded on $[a, b]$, there exists a constant M such that $|f(x)| \leq M$ for all $x \in [a, b]$. We choose $\delta = \frac{\epsilon}{2M}$. If $|x - x_0| < \delta$, then $|f(x) - f(x_0)| \leq |f(x)| + |f(x_0)| \leq 2M \delta = \epsilon$.

2. The second part of the proof is to show that f is differentiable at x_0 . To do this, we need to show that the limit $\lim_{h \rightarrow 0} \frac{f(x_0 + h) - f(x_0)}{h}$ exists. We will use the definition of the derivative and the fact that f is continuous at x_0 .

Let $h \neq 0$ be such that $x_0 + h \in [a, b]$. Then

$$\frac{f(x_0 + h) - f(x_0)}{h} = \frac{f(x_0 + h) - f(x_0)}{h} \cdot \frac{h}{h} = \frac{f(x_0 + h) - f(x_0)}{h} \cdot \frac{h}{h}.$$

$$= \frac{f(x_0 + h) - f(x_0)}{h} \cdot \frac{h}{h} = \frac{f(x_0 + h) - f(x_0)}{h} \cdot \frac{h}{h}.$$

$$= \frac{f(x_0 + h) - f(x_0)}{h} \cdot \frac{h}{h} = \frac{f(x_0 + h) - f(x_0)}{h} \cdot \frac{h}{h}.$$

Since f is continuous at x_0 , we have $\lim_{h \rightarrow 0} (f(x_0 + h) - f(x_0)) = 0$. Therefore, $\lim_{h \rightarrow 0} \frac{f(x_0 + h) - f(x_0)}{h} = 0$.

$$\lim_{h \rightarrow 0} \frac{f(x_0 + h) - f(x_0)}{h} = 0.$$

$$\lim_{h \rightarrow 0} \frac{f(x_0 + h) - f(x_0)}{h} = 0.$$

$$\lim_{h \rightarrow 0} \frac{f(x_0 + h) - f(x_0)}{h} = 0.$$

- 243.4** Service yard fences shall obscure the service yard but also include transparent elements within its design to minimize visual impacts on pedestrians. Transparent elements are such elements that provide a pedestrian a view into the yard. Service yard fences located in the Historic Commercial Zone District are not total privacy-type service yard fences that are permitted in other Zones. Examples of service yard fences with transparent elements are provided in Appendix B.
- 243.5** Service yard fences shall be a minimum of six (6) feet in height and a maximum of seven (7) feet in height.
- 243.6** Fences shall be constructed using rough cut or milled wood, natural stone, brick, wrought iron, and any combination of these materials.
- 243.7** The following is an example list of prohibited fence types: chain link, wire, mesh, concrete block, plastic, fiberglass, plywood, barkslab, barb wire, razor wire, electrified fences, slatted "snow" fences, and opaque fences without transparent elements. The aforementioned list is not, nor is it intended to be, all inclusive of prohibited fence types.
- 243.8** The use of materials native to Rico's historical character, such as railroad ties and brick, are encouraged. The use of vegetation to offset visual impacts is also encouraged.
- 243.9** Fences located along Highway 145 and side streets must be built along a minimum three-foot setback.
- 243.10** All fences shall be built parallel or perpendicular to the platted lot lines.
- 243.11** Fences that meet the goals of these regulations but do not conform to the specific standards may be permitted upon approval of the Planning Commission.

244. STANDARDS FOR REVIEW

The Trustees shall use the following standards when reviewing building permit applications in the HC Zone District:

- 244.1** The application complies with the Design Regulations for the HC Zone District; the application should incorporate architectural features similar to features established by the historic commercial structures in the Town; such features include, but are not limited to: windows, doors, cornices, trim, and decorative architectural features; and,
- 244.2** proposed structure or alteration of existing structure utilizes design that is practical and functional with respect to pedestrian traffic flow, parking, loading and deliveries; and,
- 244.3** the design provides visual interest by avoiding long monotonous walls without windows, doors, openings, or trim detail and by using siding materials, doors, windows, and trim detail that provide visible texture, relief, and shadow lines; and,

- 244.4** the overall design is compatible and complimentary to existing buildings in the HC Zone District.

246. HC - HISTORIC COMMERCIAL DISTRICT DESIGN REGULATIONS

To the Town of Rico Board of Trustees:

Please consider allowing us to proceed with our building plans. We have submitted all of the required documents for a building permit except for an engineered stamped copy. Based on Town of Rico Board of Trustees approval we will have the plans promptly engineered and will submit them to the town manager. We are just wanting approval of the design before we spend the money to have the plans professionally engineered.

We only wish to have a little more space in the house that we currently occupy with our two young boys. Our boys are growing up right before our eyes and need some more elbow room to more comfortably accommodate our family. Our building plans are straight-forward and simple to conserve time and money spent on this project. As you all know, building costs are at an all-time high! Unfortunately, we do not have the luxury of waiting to see if costs come down anytime in the future. We really need to get our project underway so that we can be fully living in the house by the time the weather gets nasty and cold.

Please help us to expedite this process by approving our building plans. Our house has been a residence for 67 years and we hope it will be so for another 67 years. Thank you for your careful consideration of this matter. As fellow community members we are seeking only to live here in beautiful Rico and having space in our family home to do so will improve our quality of life exponentially.

Sincerely,

Sarah and Craig Lyons

No sidewalks in front of our non conforming structure at this time.

 RE: Second reading of Ord. No 2022-04, An Ordinance of the Town of Rico, Colorado Amending Ordinance No. 2019-06 to Increase the Water Tap Fees for the Town of Rico Enterprise Fund

For your consideration on second reading is an updated version of Ordinance No. 2022-04, which increases the Town's water tap fees. At the April 20 Board of Trustees meeting, you suggested that the tap fees be roughly proportional to the increase in the surface area of the pipe opening with each increase in pipe diameter. You also discussed conducting a demand analysis for tap fees above one inch in diameter. The changes are shown in redline here:

8.3 Tap Fee A tap fee shall be a charge to all customers of the Town of Rico, which shall be assessed and paid before a building permit is issued. Tap fees in the Town of Rico shall be as follows:

i. 3/4" water tap	\$ 5,000 \$10,000.00 <u>\$12,500.00</u>
ii. 1" water tap	\$ 6,000 \$12,000.00 <u>\$22,500.00</u>
iii. 1 1/4" water tap*	\$ 7,000 \$14,000.00 <u>\$37,000.00</u>
iv. 1 1/2" water tap*	\$ 9,000 \$18,000.00 <u>\$50,000.00</u>
v. 2" water tap *	\$ 10,500 \$21,000.00 <u>\$86,000.00</u>

* These taps shall be subject to a minimum fee as shown in this tap fee schedule and shall be required to submit a water demand analysis for the proposed project. The Building Official shall require an increased fee as indicated by the demand analysis.

These numbers were calculated using a \$12,500 base tap price, and an inner pipe surface area increase as follows:

- 3/4" to 1": increase of 1.8
- 3/4" to 1 1/4": increase of 2.96
- 3/4" to 1 1/2": increase of 4
- 3/4" to 2": increase of 6.88

If the Board of Trustees wishes to adopt the changes shown in this ordinance, a suggested motion is as follows:

- I move to adopt on second reading Ordinance No. 2022-04, An Ordinance of the Town of Rico, Colorado Amending Ordinance No. 2019-06 to Increase the Water Tap Fees for the Town of Rico Enterprise Fund, to include the changes from first reading to second reading.

RE: Application for Amendments to the Rico Land Use Code (RLUC) - Short Term Rentals, Ordinance No. 2022-05, An Ordinance of the Town of Rico, Colorado Establishing a Licensing Process for Short-Term Rentals and Amending the Rico Land Use Code to Remove Short-Term Rentals from Special Use Permit Review

Board of Trustees:

Included in your packet is Ordinance No. 2022-05, which would establish a licensing process for short-term rentals and amend the Rico land Use Code to remove short-term rentals from special use permit review. The Board of Trustees reviewed a draft version of the ordinance during the April 20th meeting and provided legal feedback that has been included in this ordinance. Since then and pursuant to RLUC 416.1 this ordinance was reviewed by the Planning Commission on May 11, 2022. Their recommendation to the board was to approve the ordinance with modifications.

Motion

To recommend to the Board of Trustees to approve an ordinance 2022-05 of the town of Rico, Colorado establishing a licensing process for short-term rental and amending the Rico Land Use Code to remove short-term rentals from special use permit review with the following modifications considering whether 454.2 and 454.3b commercial and historic commercial are appropriate. Considering parking limitation as stated in section 455.1 we recommend a 2-vehicle limitation and in section 453.1 changing the radius of the local contact person to 30 minutes and removing whereas statement about the moratorium.

Moved by Cristal Hibbard, Second by Mike Contillo.

Vote. A roll call vote was taken, and the motion was approved, 5-0.

The ordinance would amend the Rico Land Use Code (“RLUC”) to remove short-term rentals from the special use permit framework and allow short-term rentals as a use-by-right subject to a two-year, renewable license and operational rules by establishing a set of Short-Term Rental Regulations.

The Short-Term Rental Regulations would impose a cap on the total number of short-term rental dwelling units in the Town equal to 7% of the Town's total housing units. However, short-term rental dwelling units in the Commercial and Historic Commercial zone districts would not count towards this cap.

The Regulations would also adopt a quadrant system dividing the town into NW, NE, SE, and SW quadrants, and would distribute the total number of short-term rental units between the quadrants equally. Thus, the Regulations would create caps for each quadrant based on the overall cap for the Town.

Currently, the Colorado Demography Office lists 226 total housing units in Rico. Seven percent of 226 is 16 short-term rental units (rounded up from 15.82). Thus, four short-term rental units would be allowed per quadrant of Town. The eight existing short-term rental special use permits are distributed as follows:

- NW: 1
- NE: 6
- SW: 1
- SE: 0

The Short-Term Rental Regulations would also provide that, where new or renewal license applications during an application cycle would lead to a number of short-term rentals that exceeds the cap for any quadrant or for the Town overall, a lottery system will be used to award licenses.

The Regulations would contain additional provisions regarding owner responsibilities, operation, and penalties, as well as procedures for license issuance, renewal, and revocation.

The modifications proposed by the planning commission have been include in this ordinance.

Please review these proposed changes for compliance with the RLUC amendment standards provided in Section 418 of the RLUC.

450. SHORT-TERM RENTAL LICENSE REQUIRED

It shall be unlawful to operate a short-term rental dwelling unit, as defined in Section 910, within the Town until the Town has issued a short-term rental license under the provisions of the RLUC contained in Sections 450-457, as amended (the “Short-Term Rental Regulations”).

451. PURPOSE

The Town of Rico recognizes that there are benefits to allowing owners of residential units within the Town to rent their dwelling units for periods of time less than thirty (30) days. Short-term rental of dwelling units brings additional visitors to the Town, can allow owners to recoup housing costs, and provides revenues for the Town through the additional tax collections. The provision of short-term rentals offers additional diversification to the accommodations market. However, due to the potential for adverse impacts, the Town wishes to regulate short-term rentals to protect the health, safety, and welfare of owners, residents, neighbors, and visitors.

452. APPLICABILITY

452.1 The Short-Term Rental Regulations shall apply to any residential dwelling unit within the Town. The Short-Term Rental Regulations are applicable within a Planned Unit Development unless the short-term rental of property is specifically identified as a prohibited use by the Planned Unit Development.

452.2 The Town is not a party to and does not enforce any private covenants. Private covenants may restrict the ability for owners to engage in short-term rentals.

452.3 Unless otherwise stated or modified, the Short-Term Rental Regulations, including owner responsibilities, operation standards, penalties, and enforcement, shall apply to

existing short-term rental dwelling units authorized by a special use permit prior to the date of adoption of the ordinance enacting these regulations. Any short-term rental dwelling unit authorized by special use permit prior to the date of these regulations must comply with any conditions imposed on the special use permit at the time of issuance. A short-term rental dwelling unit authorized by special use permit shall be considered an existing non-conforming use under Section 208. Under Section 208.4, discontinuance and abandonment of the non-conforming short-term rental use exists when the owner of the short-term rental dwelling unit fails to remit lodging tax to the Town for a period of twelve (12) months, when the owner transfers ownership of the short-term rental dwelling unit, or if the owner applies for a short-term rental license under the procedures in Section 456.

453. OWNER RESPONSIBILITIES

453.1 The owner of the short-term rental dwelling unit shall designate a natural person located within a thirty-minute driving distance of the short-term rental who is available twenty-four (24) hours per day, seven (7) days per week, to serve as the local responsible party for the short-term rental and to immediately respond to any issues arising from the short-term rental. The designated responsible party may be the owner of the property. The owner shall notify the Town in writing of the designation of the responsible party within five (5) days of such designation or modification of any such designation.

453.2 The owner or responsible party shall collect and pay all applicable local, state, and federal taxes including sales, lodging, and excise taxes as applicable.

453.3 The owner or responsible party is responsible for ensuring the short-term rental meets all applicable local, state, and federal regulations. This includes compliance with the RLUC and, for example C.R.S. § 38-45-101 et seq., as amended, which requires carbon monoxide alarms in residential properties.

453.4 The owner or responsible party is responsible for obtaining all required licenses in accordance with the Town of Rico's business licensing ordinances.

454. LOCATION, USE, AND OCCUPANCY RESTRICTIONS

454.1 Occupancy limitations of a short-term rental dwelling unit shall be established by the Town's building code, as determined by the Town's building inspector, and shall be indicated on the short-term rental license.

454.2 In residential zone districts, in a multi-family building under single ownership, or for properties with an accessory dwelling unit, no more than one (1) unit may be licensed as a short-term rental, provided the use restrictions in Section 454.3 are met.

454.3 The total number of short-term rental dwelling units shall be limited to seven percent (7%) of the Town's total housing units as determined by the Colorado State

Demography Office and updated from time to time. This percentage limit may be amended by the Board of Trustees by ordinance.

- (a) In addition, the available number short-term rental dwelling units shall be distributed into four quadrants, assuming an approximately equal number of housing units per quadrant. The quadrants shall be as follows:
 - (i) Northwest: North of W. Campbell Street and West of S. Glasgow Ave.
 - (ii) Northeast: North of E. Mantz Ave and East of S. Glasgow Ave.
 - (iii) Southeast: South of E. Mantz Ave and East of S. Glasgow Ave.
 - (iv) Southwest: South of W. Campbell Street and West of S. Glasgow Ave.
- (b) In addition, in residential zone districts, no short-term rental dwelling unit shall be issued a license in a property immediately adjacent to a property that contains a short-term rental dwelling unit. "Immediately adjacent," for the purposes of this section, means that the properties share at least 25 feet of contiguous boundary line.
- (c) The limitations on location and total number of short-term rental units in this Subsection 454.3 shall include existing short-term rental dwelling special use permits existing as of the date of the ordinance adopting these Short-Term Rental Regulations.

454.4 Short-term rental dwelling units in the Commercial (CM) or Historic Commercial (HC) zone districts shall not count towards the total number of short-term rental dwelling units in Section 454.3 above.

455. OPERATION

455.1 All vehicles associated with the short-term rental use shall be parked in designated parking areas, such as driveways and garages, or on-street parking, where permitted. No parking shall occur on lawns or sidewalks. Unless otherwise requested by the license applicant and specified in the license, two parked vehicles shall be allowed per short-term rental dwelling unit, and the vehicles shall display a parking permit with the license number of the short-term rental at all times when parked.

455.2 The owner shall be responsible for ensuring that the short-term rental complies with Town of Rico garbage, refuse, and trash collection standards. The owner and local responsible party shall arrange for proper garbage, refuse, and trash collection. The owner and local responsible party shall arrange for snow removal on the sidewalks and driveways associated with the short-term rental.

455.3 The following information must be posted in a prominent and visible location in the short-term rental:

- (a) Town of Rico business license and short-term rental license;
- (b) Contact information for owner and/or local responsible party, including phone number for twenty-four-hour response to emergencies;
- (c) Notice of any fire ban in effect in the Town;
- (d) Description of location of fire extinguishers and emergency egress; and
- (e) Any other information deemed necessary by the Town Manager or Building Official to ensure the public's health and safety.

455.4 All advertising of a short-term rental, including advertising on website vacation booking sites, shall display the Town of Rico short-term rental license number and business license number.

456. LICENSE PROCEDURES

456.1 Application Requirements. The owner shall submit the application on the form provided by the Town and shall pay the application fee. The application fee shall be \$2500 for an initial application and \$1500 for a renewal application (including renewals pursuant to the lottery system). Applications for a short-term rental license starting on January 1 shall be submitted to the Town no later than August 1 of the preceding calendar year.

456.2 Application Review, Referral, and Appeal. The Town Manager, in consultation with the Town Planner, shall review applications for short-term rental licenses for compliance with these regulations. The Town shall review applications during the month of August and shall issue license decisions no later than September 15. If the application is in conformity with the Short-Term Rental Regulations, the Town Manager shall issue a short-term rental license. The Town Manager may, in his or her sole discretion, refer an application to the Board of Trustees if the application raises issues on which the Board's input is necessary or desirable. If the application is not approved and the license is not issued, the Town Manager shall state in writing the reason(s) for the denial of the license. The applicant may appeal the Town's denial to the Board of Trustees within thirty (30) calendar days of issuance of the written denial decision.

456.3 Issuance and Term of License. All short-term rental units, except short-term rental dwelling units for which the Town has issued a special use permit as of the date of the ordinance adopting these regulations, shall require a license from the Town. Such license shall only be issued after the short-term rental application has been approved in accordance with the Municipal Code. The short-term rental license shall specify any terms and

conditions of the license. All licenses shall be issued to the owner of the property. No natural person or business entity shall be issued more than one short-term rental license, nor shall the owner of an existing short-term rental dwelling unit as of the date of adoption of these regulations be issued a license for an additional short-term rental. Licenses shall not transfer with the transfer of property to a new owner: a change in ownership of the property shall necessitate a new application and issuance of a new license. Licenses shall be issued for a period of two (2) years starting on January 1 and shall automatically expire on December 31 of the second year.

456.4 Lottery System. If the number of new or renewal license applications submitted for an application cycle would lead to a total number of short-term rental units in excess of the number allowed in Section 454.4 (including the total number allowed for any quadrant of the Town), the Town Manager shall issue licenses by random lottery. Such lottery shall not provide a preference to renewal applications over new applications. The Town shall refund the application fees, except for an administrative fee of \$50 which shall be retained by the Town, for applications not issued pursuant to a lottery.

456.5 Neighborhood Notification. Upon issuance of a short-term rental license, the property owner shall be responsible for mailing public notification of the license to owners of all real property within two hundred fifty (250) feet of any boundary or edge of the subject property or parcel. The property owner shall provide certification to the Town Manager that proper notice has been provided, including a signed affidavit.

456.6 Revocation of License. A short-term rental license may be revoked at any time by the Board following a hearing if the Town determines that the property is not being operated in compliance with this Short-Term Rental Regulations or any other Town ordinance. A short-term rental license shall be revoked automatically upon the property owner's third conviction in Rico Municipal Court of a violation of any provision in these Short-Term Rental Regulations with respect to the short-term rental. An applicant whose short-term rental license has been revoked within the last two years shall not be allowed to apply for a new or renewal short-term rental license.

456.7 Tax Collection. A license holder who fails to collect any applicable taxes on a short-term rental, including but not limited to lodging tax, during the license period shall not be allowed to renew the license for the next two-year license cycle. Owners shall present documentation demonstrating the collection and remittance of taxes to the Town as part of the license renewal application.

457. PENALTIES AND ENFORCEMENT

457.1 Penalties for Violations. Any violation of the Short-Term Rental Regulations shall be subject to a fine of two hundred fifty dollars (\$250.00) for the first offense, five hundred dollars (\$500.00) for the second offense, seven hundred fifty dollars (\$750.00) for the third

offense, and one thousand dollars (\$1,000.00) for the fourth offense and all subsequent offenses. Each day's continuing violation shall be a separate and distinct offense.

457.2 Taxes Owed. In addition to the fine amounts stated in Section 457.1, any owner or operator of a short-term rental dwelling unit, including unauthorized owners operating a short-term rental without a license in violation of the Short-Term Rental Regulations, shall pay all unpaid taxes, including lodging tax, owed to the Town and interest thereon calculated at a rate of ten percent (10%) per year. The amount of outstanding tax owed shall be separate from the amount of the fine.

457.3 Inspection and Audit. The Town has the right to inspect any short-term rental dwelling unit after giving forty-eight (48) hours' notice to the property owner and designated responsible party to verify compliance with the Short-Term Rental Regulations. The Town has the right to require an audit of any short-term rental owner's records concerning the operation of the short-term rental, to include occupancy rates, prices, revenues generated, and taxes remitted. The short-term rental owner shall be responsible for the cost of any audit.

RE: Application for Amendments to the Rico Land Use Code (RLUC), Ordinance No. 2022-06, An Ordinance of the Town of Rico, Colorado Amending the Rico Land Use Code Fee Schedule, and Review Process for Subdivision Applications

Board of Trustees:

You will find included in your packet is Ordinance No. 2022-06, which contains staff-initiated amendments to the RLUC. This set of amendments is intended to aid in strengthening some of the timelines and processes within the Conceptual, Preliminary and Final plat processes, and to update the fee schedule. Pursuant to RLUC 416.1 this ordinance was reviewed by the Planning Commission on May 11, 2022. Their recommendation to the board was to approve the ordinance.

Motion

To recommend to the Board of Trustees to approve an ordinance 2022-06 of the town of Rico, Colorado amending the Rico Land Use Code fee schedule and review process for the subdivision applications

Moved by Andrew Romanyshyn, Second by Gerrish Willis.

Vote. A roll call vote was taken, and the motion was approved, 5-0.

The Preliminary plat process is now proposing to incorporate a supplemental review step of having the Town Board review recommendations from the Planning Commission during the Preliminary plat approval phase and requiring Town Board approval of the Preliminary Plat. This step will allow the Town Board to make adjustments to the preliminary plat approval for review by the Planning Commission during final plat approval and will ensure that the Town Board is aware of subdivision applications in advance of the Final Plat approval.

The main reason for this process change is to enable the Planning Commission and the Town Board to communicate and collaborate throughout an approval process so that staff can have open communication and transparency for the best result for the town and the applicant.

- ⁵⁵ The amendments also include other small adjustments to the subdivision review procedures, including adding time periods for completeness review, the ability to continue hearings to allow time to address referral comments or complex issues, and clarifying the Preliminary Plat standards.

Additionally, Appendix A has been updated to reflect amendments to the fee schedule to aid in meeting town expenses more accurately.

Noted Sections for proposed changed are RLUC sections:

522.2, 522.3, 528.1, 532, 538.1, 538.3, 542, 546.1, 548, 562.1, and Appendix A.

RE: Ord. No 2022-07, An Ordinance of the Town of Rico, Colorado Amending Ordinance No. 2022-02 to Adjust the Collection Schedule and Required Documentation for Lodging Tax Returns

For your consideration on first reading is an ordinance that would update the previous lodging tax ordinance (No. 2022-02) to (1) require returns to be submitted quarterly and (2) require vendors to submit a supporting calculation for their lodging tax with each return.

Ordinance 2022-02 was adopted earlier this year to implement the increase in lodging tax from 1% to 7% approved by the voters at the election last year. It also adopted a short set of rules regarding the collection and administration of lodging tax. This ordinance updates those rules based on staff's experience over the last several months.

First, adjusting the collection schedule from monthly to quarterly reduces administrative burdens on both the Town and lodging vendors. In the past, lodging tax was collected quarterly, and the change to monthly collection in Ordinance 2022-02 did not serve the Town well.

Additionally, requiring vendors to submit a statement of occupied nights, price per night, and a calculation of tax owed will facilitate the submission of the correct amounts of lodging tax to the Town and will enable the Town to verify and audit lodging tax submissions where necessary. Currently, the Town does not have enough information to effectively verify whether lodging taxes remitted are accurate without requesting additional information from the vendor.

If the Board of Trustees wishes to adopt the changes shown in this ordinance, a suggested motion is as follows:

- I move to approve on first reading Ordinance No. 2022-07 An Ordinance of the Town of Rico, Colorado Amending Ordinance No. 2022-02 to Adjust the Collection Schedule and Required Documentation for Lodging Tax Returns

**TOWN OF RICO
ORDINANCE NO. 2022-07**

**AN ORDINANCE OF THE TOWN OF RICO, COLORADO AMENDING
ORDINANCE NO. 2022-02 TO ADJUST THE COLLECTION SCHEDULE
AND REQUIRED DOCUMENTATION FOR LODGING TAX RETURNS**

WHEREAS, the Town of Rico, Colorado (“Town”) is a Colorado home rule municipality organized pursuant to Article XX of the Colorado Constitution and with the authority of the Town of Rico Home Rule Charter; and

WHEREAS, the Board of Trustees of the Town of Rico (“Board”) has the authority to collect taxes pursuant to Section 10.4 of the Town of Rico Home Rule Charter provided that no new tax or tax rate increase shall be effective until approved, if required, pursuant to Article X, § 20 of the Colorado Constitution; and

WHEREAS, at the general biennial election held November 2, 2021, the electors of the Town authorized an increase in the Town’s lodging tax from 1% to 7%; and

WHEREAS, on January 19, 2022, the Board adopted Ordinance No. 2022-02, implementing the tax increase, repealing and replacing the Town’s existing lodging tax ordinance, and adopting collection and enforcement measures; and

WHEREAS, the Board determines and finds that the monthly lodging tax collection schedule adopted in Ordinance No. 2022-02 is inefficient for the Town and the administrative costs of collection are too high relative to the amount of tax collected; and

WHEREAS, the Board determines and finds that requiring lodging vendors to submit reasonable accounting showing the calculation of sales tax collected and remitted will facilitate the fair, consistent, and uniform collection of lodging tax; and

WHEREAS, the Board finds that amending the collection procedures for lodging tax will promote the welfare and best interests of the Town and desires to amend Ordinance 2022-02 accordingly.

NOW THEREFORE, THE BOARD OF TRUSTEES OF THE TOWN OF RICO ORDAINS:

Section 1. The recitals hereinabove are hereby adopted as findings and incorporated herein.

Section 2. The Board hereby amends Section 3 of Ordinance No. 2022-02, a New Ordinance for Lodging Tax as follows (deletions shown in ~~strike through~~, additions shown in double underline):

D. Collection of Tax

1. Every vendor providing accommodations taxable by this Ordinance shall collect the tax from each customer and shall remit such tax and make a return to the Town on or before the 20th day of April, July, October, and January ~~each month, on account of for~~ accommodations provided in the preceding ~~month~~ three-month period. Said return shall be in such form as the Town Manager may prescribe and shall contain a statement of the number of nights each room or premises was occupied, the base price per night per occupied room or premises, a corresponding calculation supporting the amount of tax remitted to the Town for the applicable three-month period, and any additional information as the Town may prescribe. ~~such information and be in such form as the Town may prescribe.~~
2. The burden of proving that any transaction is exempt from the tax shall be upon the vendor.
3. In the event any vendor collects more than the tax imposed by this section, such amount shall nonetheless be remitted, in full to the Town.
4. The tax collected by the vendor shall be held in trust by the vendor for the Town until remitted.
5. The vendor shall maintain, keep, and preserve suitable records of all transactions and such other books and accounts as may be necessary to determine the amount of taxes for which the vendor is liable. All such records shall be kept for at least a period of three (3) years and shall be open to inspection and audit by the Town at any reasonable time.
6. Except as otherwise provided by law, tax returns shall be kept confidential and used only for administration and enforcement purposes.

Section 3. This Ordinance shall take effect immediately upon final adoption.
